Passage two (3 pts.)

Speaking a foreign language is what most people want. Every year many people start learning one. Some people try at home with books and tapes. Some use the radio or TV programs; thousands go to evening classes. If they use the language only 2 or 3 times a week, it will take a long period of times to learn a language, like language learning at school. Some people try to learn a language by studying for 6 hours or more a day. Some travel to the country where the language is spoken to learn it. However, most people do not have enough money to go abroad. Some people need the language to do their work better. For example, students doctors, and scientists need to read foreign books and reports. Others need it for some other ends. Whether the language learned quickly or slowly, it is hard work. Labs and good books and tapes will help, but nothing can be as helpful as a good teacher.
